### **About oceansix**

oceansix is a global source of radical, sustainable solutions and waste-to-product inventions. Powered by a vision of creating meaningful solutions, oceansix constantly invents ways of combining advanced technology with sustainable production and products from plastic waste. oceansix builds successful businesses in global industries while resolving some of Earth's burning challenges. The Company is propelled by its circular model, where products are manufactured from waste, and revenue is funneled to imagine revolutionary ideas for new products with huge market potential and impact.
